Discover
unlimited possibilities.
unexpected experiences.
unbelievable accomplishments.
unique personalities.
who you want to be.
what you want to achieve.
where you want to go.

Start here.

Only 18 hours could get you an occupational license!

“I have learned a great deal from this experience and am very thankful that UTM offers distance learning classes. The UTM instructors were so helpful and accommodating and obtaining my professional license would have been virtually impossible without this program.

Thanks UTM!”

- Joey Aytes

Courses are offered face-to-face, through distance learning, and online. For more information call 731-881-7081 or visit www.utm.edu/departments/ecos/licensure.php
Required Courses

CTE 290  Effective Instructional Strategies and Managing the Environment
CTE 300  Students with Exceptionalities
CTE 303  Diagnosis and Evaluation
CTE 311  Technology Integration
CTE 325  Educational Psychology
CTE 440  Selected Problems in Education (Directed Internship)

Course Format
All 3-hour undergraduate courses are offered in an online format to fit YOUR needs.

Instructors
Each of our course instructors are interested in YOUR needs and work with YOU to make your experience with UT Martin a success.

Course Load:
Our courses are offered on a rotation type schedule. YOUR load is up to YOU. If your goal is to finish in one year, then you would take two courses each semester. If you only want to take one course each semester, that is fine also. Courses are offered Fall, Spring, and Summer terms.

Only 18 hours could get you an occupational license!

UT Martin would like to help you maximize your career goals.
